A Local Law “Amending the Village of Lake Placid/Town of North Elba Land Use Code to Add Regulations Pertaining to Short-Term Rentals

Be it enacted by the Village Board of the Village of Lake Placid and the Town Board of the Town of North Elba as follows:

Part 1

Section 2 of the Village of Lake Placid/Town of North Elba Land Use Code is hereby amended by deleting Rooming House/Boarding House as a Conditional Use in all districts.

Section 9.4 A. Amendment of the Village of Lake Placid/Town of North Elba Land Use Code is hereby amended by replacing the final sentence of subdivision A with the following: No amendment to the provisions of this Code which apply jointly to both the Village of Lake Placid and the Town of North Elba shall be effective until it has been enacted by both the Village Board and the Town Board. Amendments to provisions of this Code which apply solely to the Village of Lake Placid may be made independently by the Village Board and those provisions which apply solely to the Town of North Elba may be made independently by the Town Board.

Section 10.2 of the Village of Lake Placid/Town of North Elba Land Use Code is hereby amended with the insertion of a new definition for “Short-Term Rental”, “Full Bathroom”, “Half-Bath” and “Occupant” to read as follows:

Short-Term Rental: A dwelling unit that is rented, in whole or part, to any person or entity for a period of less than 30 consecutive nights, and includes any residential building or apartment, single- or two-family dwelling, condominium, townhouse, guest house, cottage, cabin, or accessory dwelling which is rented as a living quarters with kitchen for any period less than 30 consecutive nights. This definition expressly includes Rooming/Boarding house as that term is defined in Section 10.2 of the Village of Lake Placid/Town of North Elba Land Use Code. This definition excludes timeshare, hotels, bed and breakfast establishments and school or non-profit dormitories. “Rental” means an agreement granting use or possession of a residence, in whole or part, to a person or group in exchange for consideration valued in money, goods, labor, credits, or other valuable consideration. Use of a short-term rental by a record owner of a property shall not be considered to be a rental under this section.

Full Bathroom: A full bathroom shall mean a room in a home for personal hygiene activities containing a toilet, a sink and a shower or bathtub.

Half-Bath: A half bathroom shall mean a room in a dwelling for personal hygiene activities containing only a toilet and a sink.

Occupant: Any persons (including children) located on the short-term rental property between the hours of 10:00 p.m. and 6:00 a.m. The maximum number of occupants on
the property between said hours shall be as noted in Section 11.2 C. The maximum number of daytime guests between 6:00 a.m. and 10:00 p.m. shall be limited to no more than twice the nightly occupants.

**Part 2**

The Village of Lake Placid/Town of North Elba Land Use Code is hereby amended with the insertion of a new Section 11 for “Short-Term Rental” to read as follows:

**Section 11 Short-Term Rental Registration Required**

**11.1 Purpose**

A. The purpose of this local law is to amend the Village of Lake Placid/Town of North Elba Land Use Code to regulate the short-term rental of dwelling units within the Village of Lake Placid and Town of North Elba and to establish comprehensive registration and licensing regulations to safeguard the public health, safety and welfare by regulating and controlling the use, occupancy, oversight and maintenance of short-term rental properties. The Village of Lake Placid and Town of North Elba also recognize that the historical nature of the community has been that of a small, residential resort community of owner-occupied dwellings and that extensive short-term rentals endanger the residential character of the community and may cause disruption to the peace, quiet and enjoyment of neighboring homeowners. Accordingly, in order to respect the property rights and interests of all homeowners in the Village of Lake Placid and Town of North Elba, this local law seeks to achieve a balance between those who offer their homes as short-term rental properties and those who choose not to do so.

B. This section shall apply to all properties in all districts within the Village of Lake Placid and Town of North Elba excluding the area of the Town of North Elba located within the Village of Saranac Lake.

C. The Village of Lake Placid and the Town of North Elba reserve the right to adopt regulations to carry out the provisions and purposes of this section by resolution.

**11.2 Short-Term Rental Regulations**

A. Permit required. An owner shall obtain a revocable short-term rental permit whenever a dwelling unit is to be used for short-term rental purposes.

(1) A short-term rental permit shall be obtained prior to using the unit as a short-term rental. No property may be used as a short-term rental without a short-term rental permit.

(2) No short-term rental property may be rented for greater than ninety (90) days in any given calendar year.
A short-term rental permit shall be valid for two years from the date of issue, shall expire on the second anniversary date of the date the permit is issued, and must be renewed upon expiration as long as the unit is used as a short-term rental. The renewal application shall be the same as the initial application. At the expiration of one year during each two year permit term, the owner shall file a sworn certification with the Enforcement Officer that the permitted dwelling unit remains in full compliance with this law. Said owner shall also pay the annual permit fee at said time.

The short-term rental permit is not transferable to a new owner of the short-term rental property.

There shall be only one short-term rental permit issued per property. Thus if a property has more than one dwelling unit the permit issued shall be limited for one dwelling unit only.

If the terms of the short-term rental permit are not followed, or these regulations or those subsequently adopted are not followed, the short-term rental permit may be revoked and the owner shall be subject to the penalties provided in Section 9 of the Village of Lake Placid/Town of North Elba Land Use Code, as well as the penalties set forth below.

No permit shall be issued, nor re-issued, unless and until: (i) the property complies with the Village of Lake Placid/Town of North Elba Land Use Code, expressly including the terms of this section, the New York State Building Code and any other municipal code which may be applicable to the property and its use for short-term rental; and (ii) the Enforcement Officer receives the septic system inspection report provided by subdivision (B)(4) of this section, if applicable.

Occupancy Tax Registration. No permit shall be issued unless the short-term rental property is registered with the Occupancy Tax Program administered by the Essex County Treasurer's Office.

No Permit Fee. Any owner occupied short-term rental property which is rented for fourteen (14) days or less in any calendar year shall be exempt from paying the permit fee required by 11.2 (B) but shall nonetheless require a permit.

B. Short-Term Rental Permit Application Requirements. An application for, or renewal of, a short-term rental permit shall be submitted to the Enforcement Officer, signed by all persons and entities that have an ownership interest in the subject property, shall be accompanied by payment of the annual permit fee, in an amount to be set by resolution of the Village Board and the Town Board, shall be accompanied by a copy of the current vesting deed showing how title to the subject property is then held, shall be completed
on the form provided and established by the Enforcement Officer, and shall, at a minimum, provide the following information:

(1) A list of all of the property owners of the short-term rental property including names, addresses, telephone numbers and email addresses. If owned by a limited liability company, a corporation or other entity the names, addresses, telephone numbers and email addresses of the members, shareholders, officers and principals of such entities.

(2) Completion of a signed and notarized affidavit by the property owner(s) certifying the following:

(a) Compliance with the following standards:

(2) Exterior doors shall be operational and all passageways to exterior doors shall be clear and unobstructed.

(3) Electrical systems shall be serviceable with no visual defects or unsafe conditions.

(b) A statement of the number of bedrooms within the short-term rental property that meet the standards set forth herein.

(c) A statement of the number of parking spaces on the property that meet the standards set forth herein.

(d) Affidavit certifications shall be valid during the term of the short-term rental permit, or until modifications requiring a building permit are made, or until the Enforcement Officer has reason to believe another inspection is warranted. By applying for a short-term rental permit, the owner(s) consent(s) to the Enforcement Officer entering the subject property to conduct such an inspection. If relevant circumstances on the property change or for any reason the certification is or becomes inaccurate, a new certification shall be
submitted. This is in addition to the new certification required by Section 11.2 A (2) above.

(e) The form of the affidavit certification shall be established by the Enforcement Officer.

(3) A site plan, drawn to scale, showing the location of buildings, required parking and, if not served by a public sewer, the location of the septic system and leach field may be required at the discretion of the Enforcement Officer.

(4) If the property is served by a private septic system, a septic inspection report issued and dated within 90 days of the date of the application, stating the size of the tank(s) and leach or absorption field or area, and the location and condition of all septic system components. The report must state the septic system was adequately functioning at the time of inspection. The septic system must be in compliance with the regulations of the N.Y.S. Department of Health (referred to in Chapter 159), Appendix 75-A of Part 75 of Title 10 of the New York Code of Rules and Regulations, as amended, and regulations and/or standards applicable to aerobic septic systems. A written certification by a qualified septic system inspector indicating the system was inspected within a two year period prior to the application for a permit and is in good working order may satisfy this condition. The maximum occupancy of the short-term rental unit shall be limited by the number of bedrooms allowed for the size of the septic tank and leach or absorption area. A system failure will require a new passing inspection report. The Enforcement Officer may allow, in his sole and absolute discretion, occupancy in excess of these regulations and standards if circumstances show the system will adequately function for an allowed occupancy, and may condition any variance on certain actions and safeguards by the owner, such as frequent pumping of the septic tank or further, periodic inspection by the Enforcement Officer or designee. The Enforcement Officer may also exempt a property which is otherwise subject to an existing local law governing the use, operation and maintenance of septic systems.

(5) The name, address, telephone number and email address of a contact person, who shall be responsible, and authorized, to act on the owner’s behalf to promptly remedy any violation of these standards or the permit. The name, address, telephone number and email address of the owner who shall also serve as a secondary contact person. The contact person may be the owner or an agent designated by the owner to serve as a contact person. This contact person must be located within sixty (60) minutes distance by car and must be available 24 hours per day, 7 days a week.
(6) The property must have sufficient off-street parking spaces in accordance with Section 11.4 hereinafter set forth.

(7) Tenants and guests shall park in the off-street parking spaces required by Section 11.4 of this section and shall not park on any part of the lawn of the property nor on the public or private street.

(8) A house number visible from the street or road shall be maintained.

(10) Advertisements for the short-term rental must conform to what is allowed under these regulations and the short-term rental permit.

(11) Each bedroom shall be at least 70 square feet in size.

(12) There shall be no campers located on the short-term rental property nor shall there be any overnight camping in tents or otherwise used in conjunction with short-term rentals to provide additional sleeping areas.

(13) Weddings, corporate events, commercial functions, and any other similar type of outdoor events must end by 10:00 p.m. All such events are subject to applicable noise restrictions under the Village of Lake Placid/Town of North Elba Land Use Code or under any other local law or ordinance.

(14) A statement that the applicant has met and will continue to comply with the standards of these regulations and the permit.

C. Short-Term Rental Standards. All short-term rentals shall meet the following occupancy standards:

(a) The maximum occupancy for each short-term rental unit shall be the most restrictive of the following:

(b) Maximum occupancy shall be calculated as 2 times the number of bedrooms that are in compliance with the New York State Building Code plus 2 additional occupants.

Examples:

2 Bedroom unit = 4 occupants for 2 bedrooms + 2 additional = 6 maximum.
4 Bedroom unit = 8 occupants for 4 bedrooms + 2 additional = 10 maximum

6 Bedroom unit = 12 occupants for 6 bedrooms + 2 additional = 14 maximum, OR

(c) Maximum occupancy for studio apartment shall be 2 occupants for the first 220 sq. ft. with 1 additional occupant for each additional 100 sq. ft. of living space.

(d) If the site plan required to be submitted with the application does not comport with the requirements of this section.

(e) If a private septic inspection report is required to be submitted with the application and if such report does not comport with the requirements of this section or with the Village of Lake Placid/Town of North Elba Land Use Code.
